WORK EXPERIENCE

Web Development: Lecturer & Teaching Assistant

Le Wagon: Coding Bootcamp | Jan 2022 - Present

- **Delivering lectures** to groups of students on various programming concepts.
- **Providing support to batches of 30 students** with their daily coding challenges, helping them to grasp programming concepts.
- **Supervising** students and **debugging** their code as they build Rails apps within groups.

Relationship Manager

Nova Merchant Bank Ltd | Aug 2018 – Jul 2021

- Established and maintained positive **20 customer relationships** in the Oil and Gas Sector.
- **Managed portfolio of Oil and Gas companies** with total deposits of 6 Billion Naira (**equivalent of £10.8 Million**), and trade transactions of $25 Million (**equivalent of £18.7 Million**).

UX Designer

Nova Merchant Bank Ltd | Jun 2018 – Aug 2018

- Integral role in **integrating the Bank's core Banking system** - Intellect Digital Core (Web & Mobile).
- **User Research and analysis** - interviewed existing users to identify opportunities and pain-points, and conducted **competitor research**.
- **Designed user flows and wireframes**, and coordinated with UI designers to implement research results.

PROJECTS

Telewise: [Website](#) | [GitHub Repo](#)

- Built a Ruby on Rails app in a team of 4 that allows users to keep up to date with their favorite TV shows. This program is loaded with 18 sample shows, lets users track their watch progress, receive notifications when new episodes air, and leave a review for other users.
- Contributed to both front and back-end, working mainly on the homepage (bootstrap carousel and overall layout) and individual tv-show page (overall layout and review creation).
- Presented a live demo to an audience of 100 people.

Dream BnB: [Website](#) | [GitHub Repo](#)

- Created an Airbnb Ruby on Rails clone app that allows you purchase and create dreams.
- Contributed to both front and back-end, working mainly on the homepage (search function and dream card design) and individual dream show page (overall layout and booking function).
